Runners head down Yans Lane and then up Through Lane. At the end of Through Lane, the runners turn left onto Cockshot Lane for approximately 90 yards before entering the field on the right signpost Hazelslack.

On entering the field, runners go left towards a gate approximately 65 yards away on the other side of the field. Once through this gate, runners should follow the footpath signs, climbing on the main path through Longtail Wood for approximately 1km to a crossroads on Beetham Fell.

At the crossroads, runners turn right through the woods, and following signposts to the Fairy Steps, passing beneath the Fairy Steps remaining on the path and emerging above joining the track leading across Whin Scar Plantation. After approximately 400 metres runners will come across a stone waymarker and should take a left to Cockshot Lane, weaving through the woods and rejoining the track down to Cockshot Lane.

On arriving at Cockshot Lane, runners take a right turn and then after approximately 125 yards, a left to enter the woods, heading left again towards Storth through Burntbarrow Plantation and entering Storth Playing Field.
